CIRCULAR

Date 29-10-2020

This is to inform to all the students of B-Tech that we are going to conduct **A One Day Seminar On Role Of Intellectual Property Rights In Protecting Inventions** on **05/11/2020** [10A.M to 4P.M] All the students have to report at the seminar hall sharp at 9:30A.M with the proper dress code and with ID cards. Attendance is mandatory.

Resource person: Dr. M.Venkata Ramana, Associate Professor, Mechanical Engineering, AITAM, Srikakulam

All the students have to attend the seminar hall of the BS&H department at 9:30A.M.

This program is aimed to: The students can learn different ways to protect your ownership rights. You might secure: A patent, a trademark, Copyrights, Trade secrets.

About the Institution:

Sri Venkateswara College of Engineering & Technology ETCHERLA were established in 2008 by VIKAS EDUCATIONAL SOCIETY (1997) with an avowed objective of accelerating the growth of science and technology in this industrially backward Srikakulam district. The Institution aims at providing state-of-the-art technology to the student community to broaden their horizon for a better and prospective tomorrow in their own interest and also in interest of the society at large. We have extensive record in the field of education. The institution is endowed with highly qualified and seasoned faculty on its rolls. Sri VENKATESWARA College of Engineering & Technology is committed to "impart quality education to the youth enable them the right attitude, professional competency and inculcate ethical values".

About the Department:

The mechanical engineering department typically covers a wide range of topics including mechanics, thermodynamics, materials science and robotics. It's all about designing, analyzing, and manufacturing mechanical systems, from engines and machines to HVAC systems and beyond. It's a field with diverse applications across industries like automotive, aerospace, energy, and manufacturing. The department of Mechanical Engineering was established in 2008 with aim of importing high quality technical education in the area with an intake of 120.

Email: principal_svcet@yahoo.com

Department Vision:

The vision of a mechanical engineering department often revolves around advancing technology, innovation, and sustainability. It aims to educate and empower future engineers to solve complex problems, design efficient systems, and contribute to societal progress. Ultimately, the goal is to prepare students to become leaders in the field and drive positive change in the world.

Department Mission:

The mission of a mechanical engineering department is to provide high-quality education, conduct impactful research, and serve the community and industry. This involves offering rigorous academic programs that equip students with technical skills critical thinking abilities, and a strong foundation in engineering principles.

Objective:

The objective of the program is to raise awareness among participants about the different types of intellectual property rights available for protecting inventions, including patents, trademarks, copyrights, and trade secrets.

Expected Outcomes:

Attendees will develop a deeper understanding of the different types of intellectual property rights relevant to inventions, including patents, trademarks, copyrights, and trade secrets, and their respective roles and limitations in protecting innovation.

PROGRAM REPORT

Date 07-11-2020

It is to inform that **A One Day Seminar on Role of Intellectual Property Rights in Protecting Inventions** has been conducted during 05th Nov 2020 in the Digital hall of BS&H department.

RESOURCE PERSON:

Dr. M.Venkata Ramana

Associate Professor

Mechanical Engineering

AITAM, Srikakulam

CO-ORDINATOR:

Mr. L. Mohan Rao

Assistant Professor

Mechanical Engineering department

SVCET

Number of Students Participated: 45

OBJECTIVES OF THE PROGRAM

The objective of the program is to provide participants with a comprehensive understanding of the importance of intellectual property rights in safeguarding inventions. The seminar aims to explore the emerging challenges and opportunities faced by academic institutions, faculty members, researchers, and students in navigating intellectual property rights in the context of teaching, research, and innovation.

A ONE DAY WORKSHOP ON

EMPOWERING WOMEN IN ENTREPRENEURSHIP THROUGH FUNDING INITIATIVES

9TH NOVEMBER,2020

Organized by
ENTREPRENEURSHIP DEVELOPMENT CELL

SRI VENKATESWARA COLLEGE OF ENGINEERING & TEHNOLOGY
Accredited by NAAC "A" GRADE
(Affiliated by JNTUK Kakinada & Approved by AICTE)
ETHERLA, SRIKAKULAM.
ANDHRA PRADESH. 532 410
www.svcet.info

ABOUT THE COLLEGE:

Sri Venkateswara College of Engineering &Technology, Etcherla, Srikakulam (Dist.) was established in 2008 by VIKAS EDUCATIONALSOCIETY (1997) with an avowed objective of accelerating the growth of science and technology in this industrially backward Srikakulam district.SVCET is accredited by NAAC in 2016. The Institution aims at providing state-of-the-art technology to the student community to broaden their horizon for a better and prospective tomorrow end owed with highly qualified and seasoned faculty on its rolls.Sri Venkateswara College of Engineering & Technology is committed to "Impart quality education to the youth enable them the right attitude, professional competency and inculcate ethical values. The Institute is a recipient of Best Green Campus award for 2017 by Govt .of A.P .in 2018.

ABOUT EDC and T&P:

Entrepreneurship Development Cell (EDC) is being promoted in SVCET to develop institutional mechanism to create entrepreneurial culture and to foster entrepreneurship for generation of wealth and employment. To guide and assist prospective entrepreneurs on various aspects such as preparing project reports, obtaining project approvals, loans and facilities from agencies of support system, information on technologies, To arrange interaction with entrepreneurs and create a mentorship scheme for student entrepreneurs.

Training, Placement and Career Guidance Cell is a core area in an Engineering College which complements the efforts of the members of faculty by organizing value-added programs and providing placement opportunities to students. The cell continuously coordinates with various industries and organizations for placement of the students.

ABOUT THE WORKSHOP:

A one day workshop on' **Empowering women in entrepreneurship through funding initiative**s' beneficial objective in the field of Entrepreneurship. It is a practical tool for helping participants to develop Personal Entrepreneurial Competencies (PECs) Entrepreneurship is a dynamic process of vision change and creation. It requires an application of energy and passion towards the creation and implementation of new ideas and creative solutions. Essential ingredients include the willingness to take calculated risks – in terms of time, equity, or career; the ability to formulate an effective venture team; the creative skill to marshal needed resources; and fundamental skill of building solid business plan.

IQAC

PROGRAMME COORDINATOR

PROGRAM REPORT

Date:10/10/2020

EDC Cell is organised **A One-day Workshop on Empowering women in entrepreneurship through funding initiatives.**

The following member is invited as a Resource person for the Workshop

Mr.B.BALA BHASKAR RAO, Associate Professsor Dept of MECH

highlighted the importance of Entrepreneurship and Funding Opportunities for Women.

The expert sessions covered various aspects of Empowering women Empowerment:

- we will explore the various challenges faced by women entrepreneurs and discuss strategies to overcome them. We will also delve into the different funding options available and how women can access them to fuel their entrepreneurial journey.

- **Gender Disparity in Entrepreneurship:**
  Despite significant progress, women still face challenges in the entrepreneurial landscape. This slide will shed light on the gender disparity in entrepreneurship, highlighting the barriers women encounter, such as limited access to capital, lack of mentorship, and societal biases. Understanding these challenges is crucial to address them effectively.

- **Importance of Funding for Women Entrepreneurs:**
  Importance of Funding for Women Entrepreneurs Access to funding is vital for women entrepreneurs to grow their businesses. This slide will emphasize the importance of funding in enabling women to scale their ventures, create job opportunities, and contribute to economic growth. We will explore the positive impact of funding on women-led businesses and the broader society.

- **Funding Options for Women Entrepreneurs:**

  This slide will explore the various funding options available specifically for women entrepreneurs. We will discuss traditional sources like bank loans, venture capital, and angel investors, as well as alternative options such as crowd funding and grants. Understanding these funding avenues will empower women to make informed decisions about financing their ventures.

All the Participants felt highly impressed and motivated of the seminar. They feel that it is a real time experience for them in participating in the seminar.

OBJECTIVES OF THE PROGRAM

The objective of the program is to bring awareness in the students we will delve into strategies to overcome funding challenges faced by women entrepreneurs. We will discuss the importance of building a strong network, seeking mentorship, and leveraging resources like business incubators and accelerators. Empowering women with these strategies will enhance their ability to secure funding for their ventures.

OUTCOMES OF THE PROGRAM

All the students who are participate in the program have felt free and realised the importance of knowledge about it is evident that empowering women entrepreneurs and unlocking funding opportunities are crucial for fostering economic growth and gender equality. By addressing the challenges, promoting access to funding, and providing support, we can create an inclusive entrepreneurial ecosystem that benefits everyone. Let us work together to empower women entrepreneurs and build a more prosperous future.

ABOUT THE PROGRAM

Objective:

The objective of the program is to bring awareness in the young technical minds to understand themselves knowledge and confident in research.

Expected Outcomes:

All The Students Who Have Participated In A One Day Seminar On "A ONE DAY SEMINAR ON RESEARCH ADVANCES IN CIVIL ENGINEERING: BUILDING FOR THE FUTURE" Have Felt Free And Realized The Importance Of Research And Very Much Enthusiastic To Get Them Absorbed In Research After Completion Of Their Studies.

ABOUT THE INSTITUTION

Sri Venkateswara College of Engineering & Technology ETCHERLA were established in 2008 by VIKAS EDUCATIONAL SOCIETY (1997) with an avowed objective of accelerating the growth of science and technology in this industrially backward Srikakulam district. The Institution aims at providing state-of-the-art technology to the student community to broaden their horizon for a better and prospective tomorrow in their own interest and also in interest of the society at large. We have extensive record in the field of education. The institution is endowed with highly qualified and seasoned faculty on its rolls. Sri VENKATESWARA College of Engineering & Technology is committed to "impart quality education to the youth enable them the right attitude, professional competency and inculcate ethical values".

ABOUT THE DEPARTMENT

The Civil Engineering Department of SVCET was established in 2014. The department is currently offering B. Tech in Civil Engineering. The Civil Engineering Department has the state of art infrastructure with well equipped labs, software and computer center **with an intake of 60.**They are supported by experienced and qualified faculty. The laboratory facilities are available in all subject areas of Civil Engineering. In addition to the regular curriculum, the department is offering add on courses on communication skills, arithmetical reasoning, programming languages etc. for enriching the competitive knowledge of the students and preparing them for better employability. Students are also engaged in the projects works which demands the needs of social body in the surrounding situations as well as in the research projects.

The department is also offering consultancy services in the areas of Material testing, Mix design and Analysis of structures. The clients are from R&B, RWS, Irrigation etc.

DEPARTMENT VISION

Emerge as a Center of pre-eminence in Engineering, education, research and services.

DEPARTMENT MISSION

➢ To produce graduates with scientific and technical knowledge and excellent engineering skills for professional practice, employment, advanced study and research.

➢ To inculcate professional and ethical values related to industry, society and environment. To interact with industries, to meet their requirements through employable graduates

RESOURCE PERSON

A ONE DAY SEMINAR ON RESEARCH ADVANCES IN CIVIL ENGINEERING: BUILDING FOR THE FUTURE

Program coordinator

Date: 29.12.2020

PROGRAM REPORT

ItistoinformthatA **ONE DAY SEMINAR ON RESEARCH ADVANCES IN CIVIL ENGINEERING: BUILDING FOR THE FUTURE** has been conducted **on 28th Dec 2020**[10.00AM to 04.00 PM] in the Digital Hall of CIVIL Department. The following member is invited as a Resource person for the seminar.

Resource person: Mr. V. K .Chkravarthi, Associate Professor, Department of Civil Engineering, SVCET, Etcherla, Srikakulam

Sri V. Udaya Bhanu Asst,prof,CIVIL Dept. is the coordinator of the program.

All the participants felt highly impressed and motivated of the Seminar. They expressed their interest andrealized the importance of the Seminar. They feel that it is a real time experience for them in participatingintheSeminar.

OBJECTIVES OF THE PROGRAM

The objective of the program is to Fostering knowledge exchange: Facilitating dialogue among researchers, practitioners, and industry experts to share experiences, challenges, and innovative solutions.

OUTCOMES OF THE PROGRAM

All the students who have participated in **A ONE DAY SEMINAR ON RESEARCH ADVANCES IN CIVIL ENGINEERING: BUILDING FOR THE FUTURE** have felt free and realized the importance of research and Participants become more aware of the importance of sustainable and resilient infrastructure development, contributing to the advancement of the field. **24 students participated in the program.**

ABOUT THE INSTITUTION

Sri Venkateswara College of Engineering & Technology ETCHERLA were established in 2008 by VIKAS EDUCATIONAL SOCIETY (1997) with an avowed objective of accelerating the growth of science and technology in this industrially backward Srikakulam district. The Institution aims at providing state-of-the-art technology to the student community to broaden their horizon for a better and prospective tomorrow in their own interest and also in interest of the society at large. We have extensive record in the field of education. The institution is endowed with highly qualified and seasoned faculty on its rolls. Sri VENKATESWARA College of Engineering & Technology is committed to "impart quality education to the youth enable them the right attitude, professional competency and inculcate ethical values".

ABOUT THE DEPARTMENT

Computer Science and Engineering is a profession that links science, technology and problem solving skills to acquire knowledge of the design, implementation, and management of information systems of both hardware and software. You will, further, learn to use computing and information technology to help solve existing and potential real-world problems that we face in business, science, and society. It is a challenging but exciting and rewarding area to study. The department of CSE was established in 2008 with aim of importing high quality technical education in the area of Computer Science and Engineering with an intake of 60. The Department of CSE offers many courses that can be chosen as electives by the students of the other departments.

The department is working for the improvement of Industry –Institute Interaction in terms of academics & research and also for the development of infrastructure to match the needs of the industry.

Department Vision

Our vision is to be a global leader in computer science and engineering education, research, and innovation.

Department Mission

Our mission is to advance the frontiers of computer science and engineering through excellence in education, research, and innovation. We are committed to providing our students with a comprehensive and cutting-edge education that prepares them to become leaders and innovators in the rapidly evolving field of computing.

PROGRAM REPORT

It is to inform that **"A ONE DAY WORKSHOP ON CYBERSECURITY CHALLENGES IN RESEARCH AND DEVELOPMENT OF INDUSTRIAL CONTROL SYSTEMS"** has been conducted on **12.02.2021** [10am to 4pm] in the Digital hall of CSE Department.

The following member is invited as a Resource person for the seminar.

NAME: Dr. Allam jaya Prakash,Ph.D.(NIT-Rorkela),Asst.Prof, CSE Dept,VIT-Vellore

Mr.S.Bhaskara Rao,Asst.Professor,CSE Dept,SVCET, is the coordinator of the program.

Number of Students attended: 37

The Resource person has explained the steps required for effective recovery from cyber security incidents in industrial settings and Develop confidence in managing and securing industrial control systems against cyber threats. All the participants felt highly impressed and motivated of the Seminar.

OBJECTIVES OF THE PROGRAM

The objective of this workshop aims to provide participants with both theoretical knowledge and practical skills to address cyber security challenges in industrial control systems effectively. The program is to bring awareness in the young technical minds to understand themselves knowledge and confident in research.

OUTCOMES OF THE PROGRAM

All the students who have participated in **"A ONE DAY WORKSHOP ON CYBERSECURITY CHALLENGES IN RESEARCH AND DEVELOPMENT OF INDUSTRIAL CONTROL SYSTEMS"** have felt free and realized the importance of research. They enhance the ability to communicate effectively about cyber security issues within and across teams and Develop confidence in managing and securing industrial control systems against cyber threats.37 students participated in the program.

ABOUT THE INSTITUTION

Sri Venkateswara College of Engineering & Technology ETCHERLA were established in 2008 by VIKAS EDUCATIONAL SOCIETY (1997) with an avowed objective of accelerating the growth of science and technology in this industrially backward Srikakulam district. The Institution aims at providing state-of-the-art technology to the student community to broaden their horizon for a better and prospective tomorrow in their own interest and also in interest of the society at large. We have extensive record in the field of education. The institution is endowed with highly qualified and seasoned faculty on its rolls. Sri VENKATESWARA College of Engineering & Technology is committed to "impart quality education to the youth enable them the right attitude, professional competency and inculcate ethical values".

ABOUT THE DEPARTMENT

Computer Science and Engineering is a profession that links science, technology and problem solving skills to acquire knowledge of the design, implementation, and management of information systems of both hardware and software. You will, further, learn to use computing and information technology to help solve existing and potential real-world problems that we face in business, science, and society. It is a challenging but exciting and rewarding area to study.The department of CSE was established in 2008 with aim of importing high quality technical education in the area of Computer Science and Engineering with an intake of 60. The Department of CSE offers many courses that can be chosen as electives by the students of the other departments.

Department Vision

Our vision is to be a global leader in computer science and engineering education, research, and innovation.

Department Mission

Our mission is to advance the frontiers of computer science and engineering through excellence in education, research, and innovation. We are committed to providing our students with a comprehensive and cutting -edge education that prepares them to become leaders and innovators in the rapidly evolving field of computing.

ENTREPRENEURSHIP DEVELOPMENT CELL

SRI VENKATESWARA COLLEGE OF ENGINEERING & TEHNOLOGY
Accredited by NAAC "A" GRADE
(Affiliated by JNTUK Kakinada & Approved by AICTE)
ETHERLA, SRIKAKULAM.
ANDHRA PRADESH. 532 410

www.svcet.info

ABOUT THE COLLEGE:

Sri Venkateswara College of Engineering & Technology, Etcherla, Srikakulam (Dist.) was established in 2008 by VIKAS EDUCATIONALSOCIETY (1997) with an avowed objective of accelerating the growth of science and technology in this industrially backward Srikakulam district.SVCET is accredited by NAAC in 2016. The Institution aims at providing state-of-the-art technology to the student community to broaden their horizon for a better and prospective tomorrow end owed with highly qualified and seasoned faculty on its rolls.Sri Venkateswara College of Engineering & Technology is committed to "Impart quality education to the youth enable them the right attitude, professional competency and inculcate ethical values. The Institute is a recipient of Best Green Campusawardfor2017byGovt.ofA.P.in2018.
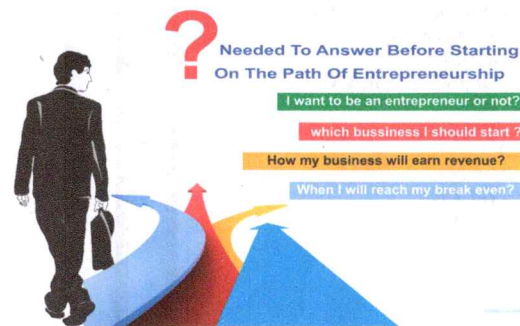

ABOUT EDC:

Entrepreneurship Development Cell (EDC) is being promoted in SVCET to develop institutional mechanism to create entrepreneurial culture and to foster entrepreneurship for generation of wealth and employment. To guide and assist prospective entrepreneurs on various aspects such as preparing project reports, obtaining project approvals, loans and facilities from agencies of support system, information on technologies, To arrange interaction with entrepreneurs and create a mentorship scheme for student entrepreneurs.

Cell is a core area in an Engineering College which complements the efforts of the members of faculty by organizing value-added programs and providing placement opportunities to students. The cell continuously coordinates with various industries and organizations for placement of the students.

ABOUT THE WORKSHOP:

A one day workshop on' **Entrepreneurship explored crafting your career'** is a beneficial objective in the field of Entrepreneurship. It is a practical tool for helping participants to develop Personal Entrepreneurial Competencies (PECs) Entrepreneurship is a dynamic process of vision change and creation. It requires an application of energy and passion towards the creation and implementation of new ideas and creative solutions. Essential ingredients include the willingness to take calculated risks – in terms of time, equity, or career; the ability to formulate an effective venture team; the creative skill to marshal needed resources; and fundamental skill of building solid business plan.

? Needed To Answer Before Starting On The Path Of Entrepreneurship
I want to be an entrepreneur or not?
which bussiness I should start ?
How my business will earn revenue?
When I will reach my break even?
