Description	<p>We @SVCET-NSS UNIT Today, we come together to raise awareness about the importance of consumer rights and to empower individuals with the knowledge needed to make informed decisions in the marketplace. Consumer rights are essential for ensuring that every individual is treated fairly, honestly, and with respect. These rights include the right to be informed, the right to choose, the right to safety, and the right to be heard. Understanding these rights helps protect us from fraud, exploitation, and unfair practices. Our rally today aims to educate the community about these fundamental rights and to promote responsible consumer behavior. As we march through [destination], we will display informative placards and distribute pamphlets that highlight key aspects of consumer rights and how to exercise them effectively.</p>

Description	<p>We @SVCET-NSS UNIT Swachh Bharat Plantation program here in SSR Puram. Today, we come together to contribute to the Swachh Bharat Abhiyan by enhancing our environment through the planting of saplings. This initiative not only promotes cleanliness but also supports the growth of a healthier and greener community. The Swachh Bharat mission, launched by our honorable Prime Minister, focuses on creating a clean and hygienic India. By integrating this mission with our plantation drive, we aim to address environmental concerns and promote sustainable living. Trees play a vital role in improving air quality, providing shade, preventing soil erosion, and supporting diverse ecosystems. Today's program involves the planting of saplings in various locations across SSR Puram. Each sapling represents our collective commitment to a cleaner, greener future. These trees will stand as living symbols of our dedication to environmental conservation and community well-being.</p>
